HOW YOUR COVERAGE WORKS

SUNY Buffalo State (referred to as the “Policyholder”) has endorsed a Policy from Us. We will provide the benefits described in this brochure to covered Members of SUNY Buffalo State, that is, to an eligible Student and his or her Covered Dependents. You should keep this brochure with Your other important papers so that it is available for Your future reference.

COVERED SERVICES

You will receive Covered Services under the terms and conditions of the Plan only when the Covered Service is

- Medically Necessary;
- Provided by a Participating Provider for in-network coverage;
- Listed as a Covered Service;
- Not in excess of any benefit limitations described in the Schedule of Benefits; and
- Received while Your coverage is in force.

CIGNA PPO NETWORK PARTICIPATING PROVIDERS

To find out if a Provider is a Cigna PPO Network Participating Provider:

- Check Your Provider directory, available at Your request;
- Call 1-800-633-7867 (Consolidated Health Plans); or
- Visit www.chpstudent.com or www.cigna.com

CIGNA PHARMACY BENEFIT MANAGER PARTICIPATING PHARMACIES

To find out if a pharmacy is a Cigna participating pharmacy:

- Call 1-800-633-7867; or
- Visit www.chpstudent.com or www.cigna.com

THE ROLE OF PRIMARY CARE PHYSICIANS:

The Plan does not have a gatekeeper, usually known as a Primary Care Physician (“PCP”).

For purposes of Cost-Sharing, if You seek services from a PCP (or a Physician covering for a PCP) who has a primary or secondary specialty other than general practice, family practice, internal medicine, pediatrics and OB/GYN, You must pay the specialty office visit Cost-Sharing shown in the Schedule of Benefits when the services provided are related to specialty care.

Sometimes Providers in Our Provider directory are not available. You should call the Provider to make sure he or she is accepting new patients. To see a Provider, call his or her office and tell the Provider that You are a SUNY Buffalo State Student Health Plan Member, and explain the reason for Your visit. Have Your ID card available. The Provider’s office may ask You for Your Member ID number. When You go to the Provider’s office, bring Your ID card with You.

OUT-OF-NETWORK SERVICES:

We Cover the services of Non-Participating Providers. However, some services are only Covered when You go to a Participating Provider. See the Schedule of Benefits for the Non-Participating Provider services that are Covered. In any case where benefits are limited to a certain number of days or visits, such limits apply in the aggregate to in-network and out-of-network services.

SERVICES SUBJECT TO PREAUTHORIZATION:

Our Preauthorization is required before You receive certain Covered Services. You are responsible for requesting Preauthorization for the in-network and out-of-network services listed in the Schedule of Benefits.

SERVICES SUBJECT TO PREAUTHORIZATION:

If You seek coverage for services that require Preauthorization or notification, You must call Us at 1-800-633-7867.

You must contact Us to request Preauthorization as follows:

- At least one (1) weeks prior to a planned admission or surgery when Your Provider recommends inpatient Hospitalization. If that is not possible, then as soon as reasonably possible during regular business hours prior to the admission.

You must contact Us to provide notification as follows:

- As soon as reasonably possible when air ambulance services are rendered for an Emergency Condition.
- If You are hospitalized in cases of an Emergency Condition, You must call Us within 48 hours after Your admission or as soon thereafter as reasonably possible.

After receiving a request for approval, We will review the reasons for Your planned treatment and determine if benefits are available.

Criteria will be based on multiple sources which may include medical policy, clinical guidelines, and pharmacy and therapeutic guidelines.

If You fail to seek Our Preauthorization for benefits subject to this section, We will pay an amount of \$500 less than We would otherwise have paid for the care, or We will pay only 50% of the amount We would otherwise have paid for the care, whichever results in a greater benefit for You. You must pay the remaining charges. We will pay the amount specified above only if We determine the care was Medically Necessary even though You did not seek Our Preauthorization. If We determine that the services were not Medically Necessary, You will be responsible for paying the entire charge for the service.

MEDICAL NECESSITY:

We Cover benefits described in this brochure as long as the health care service, procedure, treatment, test, device, prescription drug or supply (collectively, “service”) is Medically Necessary. The fact that a Provider has furnished, prescribed, ordered, recommended, or approved the service does not make it Medically Necessary or mean that We have to Cover it.

We may base Our decision on a review of:

- Your medical records;
- Our medical policies and clinical guidelines;
- Medical opinions of a professional society, peer review committee or other groups of Physicians;
- Reports in peer-reviewed medical literature;
- Reports and guidelines published by nationally-recognized health care organizations that include supporting scientific data;
- Professional standards of safety and effectiveness, which are generally-recognized in the United States for diagnosis, care, or treatment;
- The opinion of Health Care Professionals in the generally-recognized health specialty involved;
- The opinion of the attending Providers, which have credence but do not overrule contrary opinions.

Services will be deemed Medically Necessary only if:

- They are clinically appropriate in terms of type, frequency, extent, site, and duration, and considered effective for Your illness, injury, or disease;
- They are required for the direct care and treatment or management of that condition;
- Your condition would be adversely affected if the services were not provided;
- They are provided in accordance with generally-accepted standards of medical practice;
- They are not primarily for the convenience of You, Your family, or Your Provider;
- They are not more costly than an alternative service or sequence of services, that is at least as likely to produce equivalent therapeutic or diagnostic results;
- When setting or place of service is part of the review, services that can be safely provided to You in a lower cost setting will not be Medically Necessary if they are performed in a higher cost setting. For example We will not provide coverage for an inpatient admission for surgery if the surgery could have been performed on an outpatient basis.

WHO IS COVERED

You, the enrolled Student, are covered under the Plan. Members of Your family may also be covered depending on the type of coverage You selected.

We offer the following types of coverage:

1. **Individual.** If You selected individual coverage, then You are covered.
2. **Individual and Spouse.** If You selected individual and Spouse coverage, then You and Your spouse are covered.
3. **Parent and Child/Children.** If You selected parent and child/children coverage, then You and Your Child or Children, as described below, are covered.
4. **Family.** If You selected family coverage, then You and Your Spouse and Your Child or Children, as described below, are covered.

If You selected parent and child/children or family coverage, Children covered under the Plan include Your natural Children, legally adopted Children, step Children, and Children for whom You are the proposed adoptive parent without regard to financial dependence, residency with You, student status or employment. A proposed adopted Child is eligible for coverage on the same basis as a natural Child during any waiting period prior to the finalization of the Child's adoption. Coverage lasts until the end of the month in which the Child turns 26 years of age. Coverage also includes Children for whom You are a permanent legal guardian if the Children are chiefly dependent upon You for support and You have been appointed the legal guardian by a court order. Foster Children and grandchildren are not covered.

Any unmarried dependent Child, regardless of age, who is incapable of self-sustaining employment by reason of mental illness, developmental disability, mental retardation (as defined in the New York Mental Hygiene Law), or physical handicap and who became so incapable prior to attainment of the age at which the Child's coverage would otherwise terminate and who is chiefly dependent upon You for support and maintenance, will remain covered while Your insurance remains in force and Your Child remains in such condition. You have 31 days from the date of Your Child's attainment of the termination age to submit an application to request that the Child be included in Your coverage and proof of the Child's incapacity. We have the right to check whether a Child is and continues to qualify under this section.

We have the right to request and be furnished with such proof as may be needed to determine eligibility status of a prospective or covered Student and all other prospective or covered Members in relation to eligibility for coverage under the Plan at any time.

Coverage under the Plan will begin as follows:

1. If You, the Student, elect coverage before becoming eligible, or within 31 days of becoming eligible for other than a special enrollment period, coverage begins on the date You become eligible, or on the date determined by SUNY Buffalo State. SUNY Buffalo State cannot impose waiting periods that exceed 90 days.
2. If You, the Student, marry while covered, and We receive notice of such marriage within 31 days thereafter, coverage for Your Spouse starts on the first day of the month following such marriage.
3. If You, the Student, have a newborn or adopted newborn Child and We receive notice of such birth within 31 days thereafter, coverage for Your newborn starts at the moment of birth; otherwise, coverage begins on the date on which We receive notice. Your adopted newborn Child will be covered from the moment of birth if You take physical custody of the infant as soon as the infant is released from the Hospital after birth and You file a petition pursuant to Section 115-c of the New York Domestic Relations Law within 31 days of the infant's birth; and provided further that no notice of revocation to the adoption has been filed pursuant to Section 115-b of the New York Domestic Relations Law, and consent to the adoption has not been revoked. However, We will not provide Hospital benefits for the adopted newborn's initial Hospital stay if one of the infant's natural parents has coverage for the newborn's initial Hospital stay. If You have individual or individual and Spouse coverage, You must also notify Us of Your desire to switch to parent and child/children or family coverage and pay any additional Premium within 31 days of the birth or adoption in order for coverage to start at the moment of birth. Otherwise, coverage begins on the date on which We receive notice and the premium payment, provided that You pay any additional Premium when due.

You, and Your Spouse or Child can also enroll for coverage within 30 days of the loss of coverage in a health plan if coverage was terminated because You, Your Spouse or Child are no longer eligible for coverage under the other health plan due to:

1. Termination of employment;
2. Termination of the other health plan;
3. Death of the Spouse;
4. Legal separation, divorce or annulment;
5. Reduction of hours of employment;
6. Employer contributions toward a health plan were terminated; or
7. A Child no longer qualifies for coverage as a Child under another health plan.

You, Your Spouse or Child can also enroll 30 days from exhaustion of Your COBRA or continuation coverage.

We must receive notice and Premium payment within 30 days of the loss of coverage. The effective date of Your coverage will depend on when We receive Your application. If Your application is received between the first and fifteenth day of the month, Your coverage will begin on the first day of the following month. If Your application is received between the sixteenth day and the last day of the month, Your coverage will begin on the first day of the second month.

In addition, You, and Your Spouse or Child, can also enroll for coverage within 60 days of the occurrence of one of the following events:

1. You or Your Spouse or Child loses eligibility for Medicaid or a state child health plan.
2. You or Your Spouse or Child become eligible for Medicaid or a state child health plan.

We must receive notice and Premium payment within 60 days of one of these events. The effective date of Your coverage will depend on when We receive Your application. If Your application is received between the first and fifteenth day of the month, Your coverage will begin on the first day of the following month. If Your application is received between the sixteenth day and the last day of the month, Your coverage will begin on the first day of the second month.

The Plan covers domestic partners of Students as Spouses. If You selected family coverage, Children covered under the Plan also include the Children of Your domestic partner. Proof of the domestic partnership and financial interdependence must be submitted in the form of:

1. Registration as a domestic partnership indicating that neither individual has been registered as a member of another domestic partnership within the last six (6) months, where such registry exists; or
2. For partners residing where registration does not exist, by an alternative affidavit of domestic partnership.
 - a. The affidavit must be notarized and must contain the following:
 - The partners are both 18 years of age or older and are mentally competent to consent to contract;
 - The partners are not related by blood in a manner that would bar marriage under laws of the State of New York;
 - The partners have been living together on a continuous basis prior to the date of the application;
 - Neither individual has been registered as a member of another domestic partnership within the last six (6) months; and
 - b. Proof of cohabitation (e.g., a driver's license, tax return or other sufficient proof); and
 - c. Proof that the partners are financially interdependent. Two (2) or more of the following are collectively sufficient to establish financial interdependence:
 - A joint bank account;
 - A joint credit card or charge card;
 - Joint obligation on a loan;
 - Status as an authorized signatory on the partner's bank account, credit card or charge card;
 - Joint ownership of holdings or investments;
 - Joint ownership of residence;
 - Joint ownership of real estate other than residence;
 - Listing of both partners as tenants on the lease of the shared residence;
 - Shared rental payments of residence (need not be shared 50/50);
 - Listing of both partners as tenants on a lease, or shared rental payments, for property other than residence;
 - A common household and shared household expenses, e.g., grocery bills, utility bills, telephone bills, etc. (need not be shared 50/50);
 - Shared household budget for purposes of receiving government benefits;
 - Status of one (1) as representative payee for the other's government benefits;
 - Joint ownership of major items of personal property (e.g., appliances, furniture);
 - Joint ownership of a motor vehicle;
 - Joint responsibility for child care (e.g., school documents, guardianship);
 - Shared child-care expenses, e.g., babysitting, day care, school bills (need not be shared 50/50);
 - Execution of wills naming each other as executor and/or beneficiary;
 - Designation as beneficiary under the other's life insurance policy;
 - Designation as beneficiary under the other's retirement benefits account;
 - Mutual grant of durable power of attorney;
 - Mutual grant of authority to make health care decisions (e.g., health care power of attorney);
 - Affidavit by creditor or other individual able to testify to partners' financial interdependence;
 - Other item(s) of proof sufficient to establish economic interdependency under the circumstances of the particular case.

TERMINATION OF COVERAGE

Coverage under the Plan will automatically be terminated on the first of the following to apply:

1. The Student has failed to pay Premiums within 30 days of when Premiums are due. Coverage will terminate as of the last day for which Premiums were paid.
2. The date on which the Student ceases to meet the eligibility requirements as defined by the Policyholder. We will provide written notice to the Student at least 30 days prior to when the coverage will cease.
3. Upon the Student's death, coverage will terminate unless the Student has coverage for Dependents. If the Student has coverage for Dependents, then coverage will terminate as of the last day of the month for which the Premium has been paid.
4. For Spouses in cases of divorce, the date of the divorce.
5. For Children, until the end of the month in which the Child turns 26 years of age.
6. For all other Dependents, the end of the month in which the Dependent ceases to be eligible.
7. The end of the month during which the Student provides written notice to Us requesting termination of coverage, or on such later date requested for such termination by the notice.
8. If a Student or the Student's Dependent has performed an act that constitutes fraud or the Student has made an intentional misrepresentation of material fact in writing on his or her enrollment application, or in order to obtain coverage for a service, coverage will terminate immediately upon written notice of termination delivered by Us to the Student and/or the Student's Dependent, as applicable.
9. The date that the Policyholder's Policy is terminated. If We terminate and/or decide to stop offering a particular class of group policies, without regard to claims experience or health related status, to which the Certificate belongs, We will provide the Policyholder and Students at least 90 days' prior written notice.
10. If We elect to terminate or cease offering student accident and health insurance coverage in this state, We will provide written notice to the Policyholder and Student at least 180 days prior to when the coverage will cease.
11. The Policyholder has performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact under the terms of the coverage.
12. For such other reasons that are acceptable to the superintendent and authorized by the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and any later amendments or successor provisions, or by any federal regulations or rules that implement the provisions of the Act.

No termination shall prejudice the right to a claim for benefits which arose prior to such termination.

EXTENSION OF BENEFITS

When Your coverage under the Plan ends, benefits stop. If You are totally disabled on the date Your coverage under the Plan terminates, continued benefits may be available for the treatment of the injury or sickness that is the cause of the total disability. If You are pregnant on the date Your coverage under the Plan terminates, continued benefits may be available for Your maternity care.

For purposes of this section, "total disability" means You are prevented because of injury or disease from engaging in any work or other gainful activity. Total disability for a minor means that the minor is prevented because of injury or disease from engaging in substantially all of the normal activities of a person of like age and sex who is in good health.

When You May Continue Benefit.

1. If You are totally disabled on the date Your coverage under the Plan terminates, We will continue to pay for Your care under the Plan during an uninterrupted period of total disability until the first of the following:
 - The date You are no longer totally disabled; or
 - 90 days from the date extended benefits began (if Your benefits are extended based on termination of Student status).
2. If You are pregnant on the date Your coverage under the Plan terminates, We will continue to pay for Your maternity care under the Plan through delivery and any post-partum services directly related to the delivery.

Limits on Extended Benefits.

We will not pay extended benefits:

- For any Member who is not totally disabled or pregnant on the date coverage under the Plan ends; or
- Beyond the extent to which We would have paid benefits under the Plan if coverage had not ended.
