IMPORTANT

THIS CERTIFICATE IS INTENDED ONLY FOR QUICK REFERENCE AND DOES NOT LIMIT OR AMPLIFY THE COVERAGE AS DESCRIBED IN THE MASTER POLICY WHICH CONTAINS COMPLETE TERMS AND PROVISIONS. THE MASTER POLICY IS ON FILE AT THE COLLEGE.
The Policy to which this rider is attached is amended as follows:

**BENEFIT PAYMENT FOR NETWORK PROVIDERS AND NON-NETWORK PROVIDERS RIDER**

This Policy provides benefits based on the type of health care provider the Insured Student and his or her Covered Dependent selects. This Policy provides access to both Network Providers and Non-Network Providers. Different benefits may be payable for Covered Medical Expenses rendered by Network Providers versus Non-Network Providers, as shown in the Schedule of Benefits included in this Rider.

**SECTION IV – DEFINITIONS** is amended by the addition of the following definitions:

**Network Providers** are Physicians, Hospitals and other healthcare providers who have contracted with Us to provide specific medical care at negotiated prices.

**Non-Network Providers** have not agreed to any pre-arranged fee schedules.

**PPO Allowance** means the amount a Network Provider will accept as payment in full for Covered Medical Expenses.

---

**SECTION VI - DESCRIPTION OF BENEFITS** is amended as follows:

The provision entitled **Treatment of Covered Injury or Covered Sickness** is amended to read:

**Treatment of Covered Injury or Covered Sickness**

We will pay benefits for Covered Medical Expenses that are incurred by the Insured Person for Loss due to a Covered Injury or Covered Sickness. Benefits payable are subject to:

1. Any specified benefit maximum amounts;
2. Any Deductible amounts;
3. Any Coinsurance amount;
4. Any Copayments;
5. The Maximum Out-of-Pocket Expense Limit; and
6. Use of a Network Provider, if any.

The following provision is added:

**Preferred Provider Organization**

If an Insured Person uses a Network Provider, this Policy will pay the Coinsurance percentage of the PPO Allowance shown in the Schedule of Benefits for Covered Medical Expenses.

If a Non-Network Provider is used, this Policy will pay the percentage of the Usual and Reasonable Covered Medical Expense shown in the Schedule of Benefits. The difference between the provider fee and the Coinsurance amount paid by Us will be the responsibility of the Insured Person.

Note, however, that We will pay at the PPO Allowance level for treatment by a Non-Network Provider if:

1. there is no Network Provider available to treat the Insured Person for a specific Covered Injury or Covered Sickness; or
2. there is an Emergency Medical Condition and the Insured Person cannot reasonably reach a Network Provider. This benefit will continue to be paid for the Emergency Services until the Insured Person can reasonably be expected to safely transfer to a Network Provider. If the transfer does not occur at that time, benefits will then be reduced and paid at the lower percentage applicable to a Non-Network Provider.

---

Administrative Office: Commercial Travelers Mutual Insurance Company
70 Genesee Street • Utica, NY 13502
An Insured Person should be aware that Network Provider Hospitals may be staffed with Non-Network Providers. Receiving services from a Network Provider does not guarantee that all charges will be paid at the Network Provider level of benefits. It is important that the Insured Person verify that his or her Physicians are Network Providers each time he or she calls for an appointment or at the time of service.

There are no other changes to the Policy.

This Rider is executed for the Company by its President and Secretary.
